

# Report from Ecma GA Meeting

Dec 8-9, 2021

Michael Saboff - Apple

# Ecma - LF Collaboration

- Between Sept and Dec, ad-hoc meetings were held with Ecma leadership and various Ecma member delegates.
  - Some concessions made during these meetings.
  - Propose agreements where updated accordingly.
- Vote on the collaboration was on last week's GA agenda.
  - After some discussion, the GA chair postponed the vote.
  - Future discussion may occur, but I know of no meetings scheduled.

# Alternative Permissive Copyright

- Mozilla submitted a request to add a permissive copyright as an alternative to the current copyright.
  - Discussed by the Ecma IPR Policy Committee.
  - Was presented for discussion and possible vote.
  - Consensus on the proposal was not reach.
- It was agreed to work on this with some special meetings.
  - IPR policy will meet to refine over the next month.
  - The Executive Committee (ExeCom) with have a special meeting January 31, 2022 to discuss and vote on this.
  - A special GA meeting is scheduled March 23, 2022 for approval.
